**ADDITIONAL INFORMATION OR CLARIFICATIONS CONCERNING THE PREPARATION OF
BID**

- **low - value public procurement procedure -**
- **Issuing digital certificate - LVPP 02/16**

On Jun 13th, 2016 an interested person has requested from contracting authority, additional information or clarifications concerning the preparation of bid in the subject low-value public procurement LVPP 02/16 with the following content:

„Dear,

Can you please provide us with additional information concerning tender document LVPP 02/16.

The request specified in Table 1, Item No 2: " Multi-domain SSL/TLS certificate with OV (Organization Validation). Quantity: 25 pcs. " Since the certificates that are issued for multi- domain names cannot be issued for an unlimited number of domain names and bearing in mind that the the final price depends of the number of domain names, can you please clarify whether you had in mind one certificate with 25 additional domain names, or you had in mind 25 certificates with certain number of additional domain names for each one? If it's the latter, we need to know how many domain name needed to be issued with each certificate.”

Committee for Public Procurement of Services finds that the due date for questions has expired pursuant to Article 63 of the Act, however, to ensure greater competition, the Commission for Public Procurement of Services, considers that in this case is expedient to give the following

ANSWER

Pursuant to the request specified in Table 1, Item No 2 of tender documents LVPP 02/16, the bidder must offer 25 Multi-domain SSL/TLS certificate with OV (Organization Validation). From the above mentioned it would be considered as acceptable if the bidder offers minimum two domain names for each certificate.

This clarifications of Tender documentation for subject public procurement are an integral part of Tender documentation.
