**ADDITIONAL INFORMATION OR CLARIFICATIONS CONCERNING THE PREPARATION OF BID**

- low - value public procurement procedure -
- Issuing digital certificate - LVPP 03/15

On December 11th, 2015 an interested person has requested from contracting authority, additional information or clarifications concerning the preparation of bid in the subject low-value public procurement LVPP 03/15 with the following content:

„Dear,

Can you please provide us with additional information concerning technical specifications of the personal certificate specified in Table 1, Item No 4.

Which precisely certificate do you require? SSL for a domain name or class 1 for e-mail account? „

Bearing in mind the request, the Committee for Public Procurement of Services, pursuant to Article 63 of the LPP gives the following

**ANSWER**

- In Table 1, section 3 of the Tender documentation under Item No 4, it is specified that the Personal digital certificates must be Type S/MIME certificates which can be used for end users authentication and for e-mail protection.. In accordance with the specified, it will be considered as acceptable if the bidder for services of issuing digital certificate which is set in Table 1 of the section 3 of Tender documentation, Item No 4 offers digital certificates Type S/MIME class 1 which fulfil all technical specification set out in Tender documentation and which are used for e-mail correspondence of end users.

This clarification of Tender documentation for subject public procurement is an integral part of Tender documentation.
