Digital TLS/SSL certificates which will be offered in this public procurement must be trusted by the major Internet browsers. In order to prove that SSL/TLS certificates offered in the service are trusted by the major Internet browsers one of the following two conditions must be met:

- Certificate Authority (CA) that will provide the service of issuing digital SSL/TLS certificates to Contract Authority must be a member of Windows Root Certificate programme.
- Certificate of CA, which will provide service of issuing digital SSL/TLS certificates to Contract Authority, can be signed by the certificate of other CA in which case the Certification Path will be formed. In that case, at least one legal entity whose certificate is placed within Certification Path, on any position higher than the certificate of CA that will provide service of issuing digital SSL/TLS, must be a member of Windows Root Certificate programme.

Contract authority will check if the above mentioned conditions are met by inspecting the list of Windows Root Certificate programme members which is publically available in the document on the following URL:

<https://gallery.technet.microsoft.com/Trusted-Root-Program-86901ff5>

The bidder must provide the original documentation of CA that will provide the service of issuing digital SSL/TLS certificates to Contract Authority which would prove that offered SSL/TLS certificates comply with all the required technical details from Table 1 of this section in this document. The original documentation is considered to be: brochures, white papers, user manuals, certificate practice statement, contract between CAs in the certification path and any other document which would prove the compliance with required technical details of certificates. If it is not possible to prove all the required technical details with only one document, the bidder should deliver additional documents which are considered as original technical documentation and which would prove that offered certificates will comply with all the required technical details. The delivered original technical documentation in Serbian or English language is integral part of the offer.

4. CRITERIA FOR CONTRACT AWARD

4.1. CRITERIA FOR CONTRACT AWARD, ELEMENTS OF THE CRITERIA FOR CONTRACT AWARD AND METHODOLOGY FOR AWARDED POINTS FOR EACH ELEMENT OF THE CRITERIA

The selection among the submitted acceptable bids will be done based on the criterion "the lowest price offered".
Total price offered without VAT will be compared.

4.2. TWO OR MORE BIDS WITH EQUAL PRICES

If, upon final bid ranking, two or more bids have the same, lowest price offered, the contract will be awarded to the bidder which offered the longer payment time.

5. INSTRUCTION TO BIDDERS

Instructions to bidders on how to prepare the bid contains information about the Contract authority's requests about the content of the bid, as well as the conditions under which the award procedure is conducted.

5.1. DATA ON MANDATORY LANGUAGE OF THE BID

The bid with all the additional documentation can be made in the Serbian or the English language.

If contracting authority finds that part of the bid should be translated into Serbian language, during the review and evaluation of bids, it will set an adequate deadline to the bidder for translating that part of the bid into Serbian.

In the case of the dispute, the Serbian version of tender documents and bid is relevant.

5.2. MANNER OF SUBMITTING THE BID

The entire set of documents (the bid), including the Bid Template, statements and model contract given in the tender documentation (hereinafter: the forms) must be duly completed, signed by an authorized person of the bidder and stamped in the manner defined in this Clause of Tender documents, **notices and instructions** given in the forms- templates of the Tender documents.

The Model Contract must be signed at the designated place by the authorized person and stamped: By signing the Model Contract the bidder confirms that he agrees with the terms of the contract. Failing to do so will result in the rejection of the offer as unacceptable.

The bid must not be filled with lead pencil.

If the group of bidders submits a joint bid, they may choose to sign and stamp the forms given in the Tender documents by each member of the group individually, or a group of bidders can authorize one of the members of the group who will sign and stamp forms given in the tender documents, except for the forms that involve making statements under full moral, financial and criminal liability (eg. Declaration of an independent bid, The bidder's statement of the fulfillment of the requirements stipulated in art. 75 and 76 of the LPP in the low value public procurement) which must be signed and stamped by each member of the group of bidders. In the case when the bidders decide that one bidder from the group represents the group and signs and certifies by the stamp forms given in the tender documents (except for forms that involve making statements under perjury), they have to provide to the Contracting Authority a signed agreement whereby bidders from the group commit, between themselves and towards contracting authority on the conditions of their participation at the public procurement. This agreement is integral part of joint bid pursuant to Art. 81. LPP.

Each bidder from the group of bidders, including an authorised representative of the group of bidders, shall sign and stamp the agreement whereby bidders from the group commit, between themselves and towards Contracting authority.

If the group of bidders doesn't have an authorized representative, each bidder from the group of bidders and every one of them shall sign and stamp all forms from the Tender documents.

If the bid is submitted by the bidder with subcontractor, than the bidder signs and stamps all the forms from tender documents including Model Contract, except for the the Subcontractor's statement of the fulfillment of the requirements stipulated in art. 75 and 76 of the LPP in the low - value public procurement which signs and stamp subcontractor.

Bidders submit their bids in a sealed and stamped envelope or box, by registered mail or by personal delivery, in such a way that during the opening of bids can be established that it is opening for the first time.

The flap of the envelope or box should state bidder's name and adress.

If the bid is submitted by the group of bidders, it should be written on the envelope that the bid is submitted by the group of bidders and names and adresses of all bidders in joint bidder have to be given.

It is desirable that all the documents in the bid are tied into a whole and sealed (with wax or otherwise), so that there can be no later insertion, removal or replacement of the individual sheets or appendices, without the evident damage to the bid.

Bidders submit their bids to the following address:

Informaciono – komunikaciona ustanova „Akademska mreža Republike Srbije - AMRES“,

2. Documents that prove that the bidder meets Mandatory Eligibility Requirements set down in article 75 of the LPP which are listed in the section 3 of this tender documentation – The bidder's statement of the fulfillment of the requirements stipulated in art. 75 of the LPP in the low value public procurement (Form given in **section 3.3.1.** of this tender documentation) and The subcontractor's statement of the fulfillment of the requirements stipulated in art. 75 of the LPP in the low value public procurement (Form given in **section 3.3.2.** of this tender documentation) if the bid is submitted with subcontractor.
3. Model contract completed, signed and stamped (if stamp is applicable) – (Form given in the **section 7** of this tender documentation)
4. A legal document binding the bidders, i.e. agreement whereby bidders from the group commit, between themselves and towards contracting authority, to execute public procurement, if the bid is submitted by a group of bidders.
5. Declaration of independent bid – Form given in the **section 9** of this tender documentation.
6. The original documentation of CA that will provide the service of issuing digital SSL/TLS certificates to Contract Authority which would prove that offered SSL/TLS certificates comply with all the required technical details specified in Table 1, **section 2** of this tender documentation.

5.3. LOTS

This procurement is not divided in lots.

5.4. BIDS WITH VARIANTS

Bids with Variants are not allowed.

5.5. MANNER OF AMENDING, SUPPLEMENTING OR CANCELLING THE BID

Before the deadline for the bid submission, bidder may amend, supplement, or cancel its bid in the manner stipulated for bid submission.

The bidder has to clearly indicate which part of the bid is being changed or which documents are subsequently delivered.

Amending, supplementing or cancelling the bid should be submitted to the following address: Informaciono-komunikaciona ustanova „Akademska mreža Republike Srbije - AMRES“, Bulevar kralja Aleksandra 90, Beograd with the following text:

„Amendment to the bid for the low-value public procurement services – issuing the digital certificates- LVPP 02/19- DO NOT OPEN”, **or**

„Supplement to the bid for the low-value public procurement services- - issuing the digital certificates- LVPP 02/19- DO NOT OPEN”, **or**

„Cancelling the bid for the low-value public procurement services- - issuing the digital certificates- LVPP 02/19- DO NOT OPEN”, **or**

„Amendment and Supplement to the bid for the low-value public procurement services- - issuing the digital certificates- LVPP 02/19- DO NOT OPEN” ”.

On the back of an envelope or box the name and address of the bidder have to be indicated. In the case that the bid is submitted by a group of bidders, the envelope has to contain the information that the bid is submitted by a group of bidders and must list the names and addresses of all the participants in a joint bid.

Bids cannot be amended, supplemented or cancelled after the expiry of the term for bid submission.

5.6. PARTICIPATION IN A JOINT BID OR AS A SUBCONTRACTOR

The bidder may submit only one bid.

The bidder who has independently submitted its bid cannot simultaneously participate in some other bid as a joint bidder or as a subcontractor, nor can it participate in several joint bids.

The bidder shall state in Bid Template – Template no 6. whether submits independent bid, joint bid or bid with Subcontractor.

5.7. BID WITH SUBCONTRACTORS

If the bidder intends to entrust the execution of the contract partly to the subcontractor, it is obliged to specify in the bid whether the performance of the service will be partially entrusted to subcontractor, percentage of the total procurement value that is going to be entrusted to the subcontractor (maximum 50%), as well as the very part of the procurement that will be performed by the subcontractor – those data bidder states in Bid Template – Chapter 6.

If the bidder intends to entrust the execution of the procurement partly to the subcontractor, the bidder must indicate the name and registered office of the subcontractor in the Bid Template – Chapter 6,.

Bidder must supply evidence for the subcontractor which will confirm fulfillment of mandatory requirements set forth in section 3 of the tender documents, in accordance with the instructions on proving fulfillment with the requirements.

The bidder who submits a bid with the subcontractor must to, in the Model Contract, state names of all subcontractors he intends to entrust the execution of the procurement.

Should the contract between the contracting authority and the bidder be signed, that subcontractor will be specified in the contract.

At Contract authority's request, bidder has to provide the access to the subcontractor in order to verify requirements fulfillment.

The bidder shall be fully liable to the contracting authority for the execution of the entire procurement contract, regardless of the number of subcontractors.

Supplier cannot hire as subcontractor any person who was not named in the bid, otherwise Contract authority will terminate the contract, unless where termination could cause significant damage to contracting authority.

The bidder may engage as subcontractor an entity not nominated in the bid, if there came to a longer inability of payment on the part of the already nominated subcontractor, if the newly nominated subcontractor fulfills all the requirements stipulated for the subcontractor and if the contracting authority agrees to that.

5.8. JOINT BID

A bid may be submitted by a group of bidders (Art. 81, par. 1 of LPP).

The model contract must include the (other) members of the group of bidders.

An integral part of a joint bid is a legal document binding the bidders, i.e. agreement whereby bidders from the group commit, between themselves and towards contracting authority, to execute public procurement, which has to contain information on:

- 1) leading member of the group, or one who will make the bid and represent the group of bidders before contracting authority, and
- 2) the terms of reference of each bidder from the group of bidders in carrying out the contract

Each bidder from the group of bidders must submit all the evidence which will confirm fulfillment of mandatory requirements set forth in section 3 of the tender documents, in accordance with the instructions on proving fulfillment with the requirements.

The bidders from the group of bidders shall bear unlimited joint and several liabilities towards the contracting authority.

Each bidder from the group of bidders must fulfil all the mandatory requirements stipulated in Art. 75. par. 1 item 1) to 4) of LPP.

A cooperative may submit a bid independently, in its own name and on behalf of members of the cooperative, or a joint bid on behalf of the cooperative members.

Where a cooperative submits bid in its own name, for obligations stemming from public procurement procedure and public procurement contract, both the cooperative and its members shall be liable, in accordance with the Art 81 of LPP.

Where a cooperative submits joint bid on behalf of its members, for obligations from public procurement procedure and public procurement contract, members of the cooperative shall have unlimited joint and several liability.

5.9. PAYMENT TERMS, THE WARRANTY PERIOD, AND OTHER REQUIREMENTS FOR BID CORRECTNESS/ACCEPTABILITY

5.9.1. REQUIREMENTS REGARDING THE MANNER, DATE AND TERMS OF PAYMENT

The invoice has to be submitted to the Contract authority upon the signature of the Record verifying that the agreed service and all of its certificates are fully delivered to Contract authority.

Payment time is the time from the day of receipt of the pertinent invoice. Minimum payment time is 30 calendar days from the day of the receipt of the pertinent invoice, and maximum payment time is 45 calendar days. The request for advance payment cannot be accepted, meaning that the bid requesting advance payment shall be rejected as unacceptable

Payments will be made by the money transfer to the account of the bidder.

5.9.2. REQUEST REGARDING DEADLINE FOR EXECUTION SERVICES

The service should be provided for a period of 12 months from the date of mutual contract signing . The service is provided continuously by serving each individual request which came from the authorized persons of the Contract authority.

The bidder is obliged to issue a digital certificate in accordance with the request of the authorized persons of the Contract authority within a maximum of 5 working days of receipt of all data necessary for the issuance of certificates.

5.9.3. REQUEST REGARDING THE PERIOD OF BID VALIDITY

The period of validity of bids cannot be less than 30 days from the date set for the opening of bids.

If the bid validity period expires, contracting authority shall request in writing the bidder to extend the period of bid validity.

Bidder who accepts the request for extension of the bid validity period may not change the bid.

5.10. CURRENCY AND MANNER IN WHICH IT MUST BE SPECIFIED AND EXPRESSED IN PRICE OFFER

Prices of the services may be expressed in dinars or in foreign currency – euros, with all the expenses, with and without the VAT.

For the purpose of bid assessment, if expressed in euros, the price shall be converted into dinars using the official medium exchange rate of the National Bank of Serbia on the day of bid opening.

For the evaluation of bids contract authority will take into account only the price without VAT.

Payment to local bidder which offered the price in EUR will be made in RSD, calculated using the official exchange rate of the National Bank of Serbia valid on the invoicing day.

Payment to foreign bidder will be executed in EUR.

If the offered price includes customs duties and other charges, the bidder is required to demonstrate that part separately.

The price is fixed and cannot be changed during the term of the contract.

If the bidder offers an unusually low bid price, the contracting authority shall proceed in accordance with Article 92 of the LPP.

5.11. CONFIDENTIALITY

The information which bidder has marked as confidential shall be used only for the purpose of this public procurement. Those information will not be available to unauthorized persons, and will not be revealed at the bids opening, during the public procurement process or later.

The Contract Authority will treat as confidential documents which in the upper right corner have written "Confidential," and below that the signature of the person who signed the tender.

If the bidder marked confidential documents in a manner described above, the contracting authority is obliged to keep as confidential all data contained in the offer about bidders which are denoted by a special regulation as confidential and which are marked as such bid by the bidder (Article 14, paragraph 1, item 1. of LPP).

The price and other information from the bid relevant for applying elements of the criterion and for the ranking of bids shall not be deemed confidential, in accordance with Art 14. par 2 of LPP.

5.12. THE PROTECTION OF CONFIDENTIALITY OF INFORMATION IT PLACES AT THE DISPOSAL OF BIDDERS INCLUDING THEIR SUBCONTRACTORS

The subject procurement does not contain confidential information.

5.13. ADDITIONAL INFORMATION AND CLARIFICATIONS, AMENDMENTS TO THE TENDER DOCUMENTS

An interested person can request additional information or clarifications relating to the bid preparation in written form, or point out to the contracting authority potentially spotted deficiencies or irregularities in the Tender Documents, by sending a letter at the address of Bulevar kralja Aleksandra 90, Beograd, or an e-mail at the e-mail address: nabavke@amres.rs or fax it on: 011/3370-288, five days prior to the expiry of the deadline for bid submission at latest.

Requesting additional information and clarifications must be addressed with a note "Request for additional information or clarification of the tender documents, LVPP 02/19".

The answer(s) to the request(s) will be posted within three days from the day of reception of request at the Public Procurements Portal and at the website of the Contract Authority.

If contracting authority amends tender documents eight or less days before the deadline for the bids submission, it has to extend the deadline for submission of bids and publish notice on extension of deadline for submission of bids.

Any amendments and supplements to the Tender Documents will be posted at the Public Procurements Portal and at the website of the Contract Authority.

After the expiry of the time limit set for the submission of bids, contracting authority can not amend the tender documents.

Requesting additional information and clarifications **over the phone is not allowed.**

The communication between the bidder and the contracting authority shall be performed in the manner prescribed by Article 20 of the LPP.

If a document from the public procurement procedure has been sent by the contracting authority or the bidder via e-mail or fax, the party that delivered the document this way shall be obliged to require from the other party to confirm the receipt of the document in the same way, which the other party shall be obliged to do when needed as a proof of executed sending.

5.14. ADDITIONAL EXPLANATIONS, CONTROL OF BIDDER OR ITS SUBCONTRACTORS AND PERMITTED CORRECTIONS

Upon the opening of bids the contracting authority may ask the bidder in written form for additional explanations that will be useful in the course of examination and evaluation of bids and it may also perform control (inspection) of the bidder, or of its subcontractor (Article 93 of the LPP).

If the Contract Authority determines that there is a need for additional explanation or it is necessary to perform control (inspection) of the bidder, or its subcontractors, the Contract Authority will leave bidder appropriate deadline to comply with the request of the Contract Authority or to enable for the Contract Authority control (inspection) of the Bidder, as well as its subcontractors.

The contracting authority may, with the bidder's consent, rectify arithmetic errors noticed while examining the bid, upon termination of the bid opening procedure.

If there is a difference between the unit and total price, the unit price shall be reference one.

If the bidder does not consent to the correction of arithmetic errors, the contracting authority will reject such a bid as unacceptable.

5.15. COMPLIANCE WITH ITS OBLIGATIONS UNDER APPLICABLE REGULATIONS

The bidder shall within its bids provide a declaration, which is a subject to criminal and material liability, that it respected all obligations arising from the existing regulations on safety at work, employment and working conditions, environmental protection, as well as that it not been prohibited from performing business activity at the time of bid submission (Template of the statement is given in the section 3 of this tender documentation)

5.16. USAGE OF PATENTS AND INTELLECTUAL PROPERTY RIGHTS

Fees for patent usage, as well as the liability for breach of protected intellectual property rights of third persons shall be borne by the bidder.

5.17. REQUEST FOR THE PROTECTION OF BIDDER'S RIGHTS

The request for the protection of rights may be submitted by bidder or interested person (hereinafter: the claimant) who has an interest in the award of contracts in this public procurement and who has suffered or could suffer damage due to the conduct of the contract authority contrary to the provisions of the LPP.

The request for the protection of rights should be submitted to the contracting authority at the address of Bulevar kralja Aleksandra 90, Beograd, or an e-mail at the e-mail address: nabavke@amres.rs or fax it on: 011/3370-288, and the copy of the request for the protection rights should also be sent to the Republic Commission for the Protection of Rights in Public Procurement Procedures (hereinafter: Republic Commission).

The request for the protection of rights can be submitted during the entire public procurement procedure, against any activity of the contracting authority, unless otherwise stipulated by the Law. Contracting authority shall inform all participants in public procurement procedure of the filed request for the protection of rights, namely, post notice on the filed request at the public Procurement Portal, no later than two days from the day of receiving request for the protection of rights.

The request for the protection of rights disputing the type of the procedure, the contents of the Invitation to Bid or of the Tender Documents will be deemed as a timely if the contracting authority has received it at least 3 days prior to the closing bid submission date, regardless of the manner of delivery, and if the claimant pointed out to the contracting authority certain deficiencies and irregularities – in conformity with Article 63, paragraph 2 of the LPP – which the contracting authority has not eliminated.

The request for the protection of rights disputing the activities that the contracting authority has taken prior to the expiry of the bid submission term and after the expiry of the term stipulated in paragraph 4 hereof, will be considered timely if it has been submitted before the expiry of the bid submission term at latest.

After a decision on contract awarding or a decision on public procurement procedure cancellation has been reached, the term for submitting the request for the protection of rights is 5 days from the day of posting the decision on the Public Procurements Portal.

Request for the protection of rights cannot challenge activities of contracting authority performed in public procurement procedure if the claimant knew or could know the reasons for its submission before the expiry of time limit for submission of request under Paragraph 3 and 4 of the Art 149 LPP, and the claimant did not submit it before the expiry of that time limit.

Where in the same public procurement procedure was filed another request for the protection of rights by the same claimant, the second request cannot challenge the activities of contracting authority which the claimant knew or could know during the submission of the previous request.

The request for the protection of bidder's rights does not retain further activities of the contracting authority in the procurement process in accordance with the provisions of Article 150 of this law.

The request for the protection of rights must contain: 1) name and address of claimant and contact person; 2) name and address of contracting authority; 3) information on public procurement that is the subject of the request, or on decision of the contracting authority; 4) violations of legislation regulating public procurement procedure; 5) facts and evidence substantiating the violations; 6) proof of paid tax referred to in Article 156 of this Law; 7) claimant's signature. If the request for the protection of rights does not contain all the required elements referred to in this paragraph, the Contracting authority shall reject such request by a conclusion.

If the claimant challenges the actions of the Contract authority taken before or after the deadline for submission of bids, including the decision on the award of public procurement contracts or a decision on public procurement procedure cancellation has been reached, claimant is required to pay a fee in the amount of 60,000.00 RSD, to the budget of the Republic of Serbia to the account number: 840-30678845-06, payment code: 153 or 253, the reference number: LVPP 02/19, the purpose of the payment: the CPA; AMRES; LVPP 02/19, Beneficiary: Budget of the Republic of Serbia.

As proof of paid fee, in accordance with Article 151 Paragraph 1 Point 6 of PPL, the following will be accepted:

1. Proof of paid fee from Article 156 of PPL which contains the following elements: (1) is issued by the bank and has the stamp of the bank; (2) presents evidence that the fee is paid, meaning the confirmation must contain the information that the payment order, i.e. wire transfer order has been completed as well as date on which it has been completed. * Republic Commission can inspect relevant statements of evidence account submitted by Ministry of Finance – Treasury, and thus additionally check whether or not the wire transfer has been completed. (3) the amount of the fee as prescribed by Article 156 of PPL; (4) the budget account no. 840-30678845-06; (5) payment code: 153 or 253; (6) reference no.: information on number or other mark of public procurement for which request for protection of rights is submitted; (7) the purpose of the payment: request for protection of rights fee; the name of contracting authority; number or other mark of public procurement for which request for protection of rights is submitted; (8) recipient: budget of Republic of Serbia; (9) name of the claimant submitting the request for protection of rights to which payment refers; (10) contains signature of the authorized person from the bank;
2. The first copy of the payment order verified by the signature of the authorized person and stamp of the bank or post office, containing all other elements of proof of completed payment of the fee as stated under Point 1.
3. Confirmation issued by Republic of Serbia, Ministry of Finance, Treasury, verified by the signature of the authorized person and stamp containing all the elements of proof of completed payment of the fee as stated under Point 1, except those stated under (1) and (10) for claimants that have open account within consolidated Treasury account, managed by Treasury (beneficiaries of budget, beneficiaries of the assets of organizations for compulsory social security and beneficiaries of other public assets);
4. Confirmation issued by National Bank of Serbia, containing all the elements of proof of completed payment of the fee as stated under Point 1, for claimants (banks and other subjects) that have an account with National Bank of Serbia in accordance with the law and other regulations.

5.17.1. PAYMENT FROM ABROAD

7.1. Enclosure to the contract

Digital TLS/SSL certificates which will be offered in this public procurement must be trusted by the major Internet browsers. In order to prove that SSL/TLS certificates offered in the service are trusted by the major Internet browsers one of the following two conditions must be met:

- Certificate Authority (CA) that will provide the service of issuing digital SSL/TLS certificates to Contract Authority must be a member of Windows Root Certificate programme.
- Certificate of CA, which will provide service of issuing digital SSL/TLS certificates to Contract Authority, can be signed by the certificate of other CA in which case the Certification Path will be formed. In that case, at least one legal entity whose certificate is placed within Certification Path, on any position higher than the certificate of CA that will provide service of issuing digital SSL/TLS, must be a member of Windows Root Certificate programme.

Contract authority will check if the above mentioned conditions are met by inspecting the list of Windows Root Certificate programme members which is publically available in the document on the following URL:

<https://gallery.technet.microsoft.com/Trusted-Root-Program-86901ff5>

The bidder must provide the original documentation of CA that will provide the service of issuing digital SSL/TLS certificates to Contract Authority which would prove that offered SSL/TLS certificates comply with all the required technical details from Table 1 of this section in this document. The original documentation is considered to be: brochures, white papers, user manuals, certificate practice statement, contract between CAs in the certification path and any other document which would prove the compliance with required technical details of certificates. If it is not possible to prove all the required technical details with only one document, the bidder should deliver additional documents which are considered as original technical documentation and which would prove that offered certificates will comply with all the required technical details. The delivered original technical documentation in Serbian or English language is integral part of the offer.
